Asks Congress For \$16 Billion To Cover Four-Year Programme

### Chances Of Success ..... Good" Are

Washington, Nov. 10. George Marshall, Secretary of State, today presented to a joint meeting of the Senate and House of Representatives Foreign Affairs Committees an estimate for his Western Europe aid plan raising by nearly 15 per cent the dollar aid proposed three days ago by President Truman's Foreign Aid Committee.

Marshall asked for between \$16,000,000,000 and \$20,000,000,000 to cover the total four-year programme instead of the maximum of \$17,000,000,000 proposed in the report of the Harriman Foreign Aid Committee.

## WEEK-END YACHTING Popularity Of Dinghy Races

The continued and growing popularity of Dinghy sailing races was evident last weekend when in spite of other attractions ashore, and the bad weather on Sunday, there was a very good turn out on both afternoons. The Typhoon weather on Sunday unfortunately made it necessary to cancel the all-day Cruiser race, and the Star races and Dinghy team races planned for last weekend had to be postponed.

The next cruiser races will be held | The following are the results of on Saturday and Sunday, Nov. 29 and last weekend's races:-30. As regards the "Stars", in view of the time that has been lost owing to weather and casualties in racing off the present helmsman's series, it has been decided to reserve them for racing only on all weekends until further notice. In any case, the weather is now too heavy to take these light craft outside the harbour for cruises on Sundays,

The following team races will be held on Sunday next ---
